Level 2 Pilot 2010, June 10 - 11 (The Betty and Kent Moseley Aviation Camp)

Aviation camps are conducted by museum staff at the Aviation Museum of Kentucky, Inc., Blue Grass Airport, Lexington, and at other locations throughout Kentucky. Camps at the museum are two days in length from 8:30 a.m. to 3:30 p.m. daily. Planned activities are listed below. Variations in flights and camp activities may occur due to unforeseen circumstances. **Note to parents:** Students who are 12 or 13 years old are enrolled in Level 2 camp.

- **Help fly an actual airplane:** With a FAA certified pilot, students will participate in planning and conducting a flight in the central Kentucky area.
- **Tour of airport facilities and related services:**
Students may visit other locations at Blue Grass Airport to learn about careers and how the airport works.
- **Museum based activities:** Sessions include *Flight Simulation, Navigation and Aeronautics*. Activities cover flight maps, airplane instruments, aviation history, aviation careers, glider competition, forces of flight, etc. Campers also get a photo of themselves with an airplane.
- **Dates - June 10 and 11; 8:30 until 3:30 daily**
- **Camp questions?** Call (859) 353-0467 & leave a message or email camps2010@aviationky.org You will be contacted.
